

**No. 27-IR/2005-III**

**July 9, 2009**

**Dear Mr. Benjamín Fuentes Castro,**

The KSC Steering Committee held its inaugural meeting in March 2009, the minutes of which were circulated to members in April 2009 and can also be accessed at the INTOSAI Collaboration Tool. As requested, SAI-India presented the Report of the Working Group on Public Debt at the meeting on SAI-Mexico's behalf. I would like to draw your kind attention to the concluding sub-para of 'Agenda item 13: Working Group on Public Debt' in the minutes, wherein it was recommended that the timeline of the Strategic Plan for the Working Group may be re-aligned with the timeline of the Strategic Plan for INTOSAI.

I request you to kindly take into consideration the recommendations of the members for possible compliance.

Kind regards.

**Yours sincerely,**

**Sudha Krishnan**
